

GLOBAL DIALOGUES

CLIMATE CHANGE AND GREEN ECONOMY

Join a thought-provoking discussion about climate change and green economy with students from Brazil, Colombia, Hong Kong, Indonesia, Mexico, the Philippines, and the United States.

We are honored to have Mr. Amjad Bany Issa, Regional Climate Change Projects Coordinator of Amman, Jordan, to give us an illuminating talk and lead our discussion about the impact of climate change and climate justice. Don't miss this precious opportunity to learn from our esteemed guest speaker and from your international peers!

Nurturing Global Citizenship through English
